*“Anyone who is looking to purchase a major appliance, do yourself a favor...call AHS before you make any decisions.” - Dan*

**5** The Top 5 **The AHS® Appliance Discount Program**  
our customers should choose

\*\*AHS Appliance Discount Program is available to current AHS Home Warranty customers. To qualify for the AHS Appliance Discount Program, you must have a valid contract number. The Appliance Discount Program is not available in Hawaii. Available for consumer use only.

## Dream home in need of dream appliances?

Choose the AHS® Appliance Discount Program.

Don't let old appliances stop you from putting an offer in for the home of your dreams. Homebuyers across the country are choosing the AHS Appliance Discount Program to upgrade their appliances, for less.

You could save hundreds on the latest brand-name dishwashers, ranges, refrigerators, washers, dryers and more.

*“My experience with the AHS Appliance Discount Program was exceptional!” - Beth*

## Get more for your home, for less.

Upgrade your appliances and realize a potential increase of up to \$1,800 in home sale price.\*

New appliances can help your home sell for more than it would without them. According to a 2013 National Association of REALTORS® study, 69% of home buyers who bought houses with old appliances would have been willing to pay more for a home with new appliances.

With the AHS Appliance Discount Program you get access to leading, brand-name appliances at significant discounts.

\*According to the National Association of REALTORS® 2013 Home Features Survey.

# The Top 5 REASONS You should choose the AHS® Appliance Discount Program

1. Substantial savings over manufacturer's suggested retail prices.
2. Innovative brand-name appliance technology.
3. Significant energy savings to help reduce utility bills.
4. A potential increase of up to \$1,800 in home sale price\*.
5. Savings that could offset the cost of an AHS Home Warranty.
